Head on Lee's Cavalry.

Jan 24th 1865.

To the Hon Secy of War.

I respectfully tender
my resignation as Lieut in the Signal Corps,
and submit the following reasons for so
doing. Being a native of Maryland
& deprived of the resources of a home
I find it impossible to support myself
in this position, & also think that the
position could be filled to greater ad-
vantage by some one more adapted
to such duties.

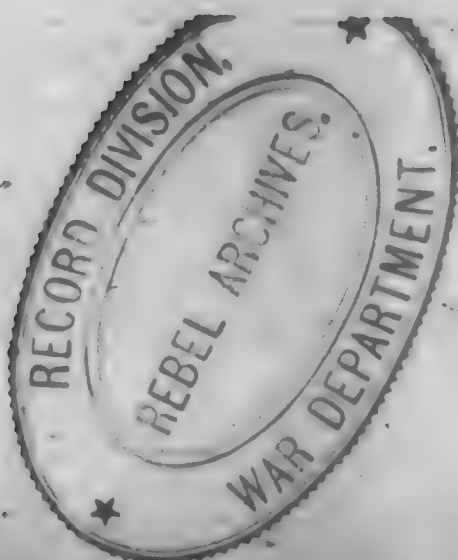

An early reply to this communication
will oblige

John N. Graham
Rich^d
Applⁿ for employment

Chaffin Farm 8th December 1862

I hereby certify that John W. Gresham is a member of my former command the King & Queen's Artillery, that he has been a faithful soldier since the commencement of the war, that he was severely wounded at the battle of Seven Pines where he was conspicuously active & gallant in the discharge of his duties; and that he is still unable to return to his company on account of his wound, the ball being still in his leg at times causing severe pain. I further certify that Mr Gresham at the time of the commencement of hostilities was in my employment as a clerk & that I have never known a more attentive faithful & honest young man or one who was more apt to learn the duties of a Scribe and Clerk.

Jno R. Bagby Major,
Lieut Colonel King & Queen's Artillery

I cordially endorse the foregoing certificate. I knew Mr Gresham before the war, and considered him a sober, industrious, conscientious young man. As a soldier, I always found him prompt & faithful. With these qualities, the wound he bore from Seven Pines should be a passport to some post in which he may continue to serve his country.

J. Ryland, Lt.
King & Queen's Art.

We the undersigned do most heartily endorse
the statements made by Lieut Ireland and
believe him fully capable of filling any position
which may be offered him as a clerk.

Chapin's Bluff

Signal Station

April 5th/1868

Capt. Jas. H. France, A. A. Genl.
Sir,

Allow me
to suggest that the inclem-
ency of the weather, since
dawn renders it extreme-
ly probable, that your
message, to Capt. S. J. Haw-
ley, may not reach him
as soon as desired - more
especially so, from the
fact that the videttes,
used during inclement
weather, have lately been
ordered from the stations
below - The message
passed from this station
long since -

Very respectfully,

J. H. Hande

Today I have been out on the

Dear Sir:

Dear Sir

Since my last -
report to you, I have received and
carried out your Order of April
the 22nd (in regard to Fishing boats)
as far as possible.

All Fishing Boats between the points
of Ruskly and Hood's Bluff have been
carefully watched and secured as you
directed. All Boats named by the
have been compelled to bring their Boat
to the Head Quarters nightly, and
those named by White Men have
been locked up nightly. I have
allowed no ones to fish in the river
between the specified points, without
your obtaining permits, and no one
is allowed to have a Boat in the river
who cannot furnish substantial proof
of your location & standing -

For the last two days. I have been to -
report to you as regards Struve Stations
and other movements going on in the
River. owing to the Signal Men being -
taken off the line from City Point
to Kings Bluff. for the purpose
of transferring signal operators for -
the Longstreet Corps about Snygolds
line now extends from Hog
Creek with the line from River to
Pointing thence to Kings Bluff by
line. If you wish me to do so
I can furnish you with all that
transpires in the way of importance
by tidettes from this point.

Very respectfully yours
O. M. Markley

Let Comd'g Signal District
know. I also send you six fine shares
by courier. I have been absent from

absence from Chapin Farm but will
keep you supplied hereafter as usual.

Hon. Sec. of War
Secretary of War

Dear Sir

I beg leave to
inform that under
a call of the President I became a con-
script being 49 years of age had volunteered
in the army until discharged by reason
of being over that age. I have
two sons in the service have lost a wife and
several small children at home in a once
prosperous situation with no white adult on
the premises, surrounded by no less than a
half doz negro quarters upon which no white
person resides. The largest of these quarters con-
taining some 60 slaves is within a half mile of my
dwelling. The others ranging from one to three miles.
In consideration of the above facts I respectfully
ask you for a detail from my present
service (if not Corps) to remain at home for the
period of 4 months or such time as you may

That paper. If you will be good enough to
 consider this application I can furnish you
 with ~~some~~ ^{the} highest character to
 sustain the facts above mentioned as
 correct. The enclosed letter from the Hon. J. R.
 Chambliss written some weeks ago will be a
 sufficient introduction. This letter is never vol-
 untarily given because I signed on the 17th
 Gen. that the ~~the~~ mentioned work has been killed.
 I send it merely as an introduction. Hoping
 that you may ~~be~~ ^{be} satisfied. I remain
 Very respectfully,
 Yours truly,

To the Hon James A. Hanson

Secy of War.

Sir,

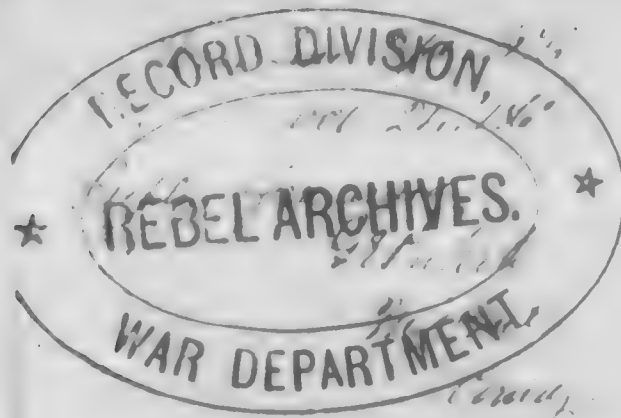

It gives me pleasure to bear testimony to the high character, intellectual cultivation, and good sense of Mr. Thomas A. Harrison of Indianapolis.

His social position, is elevated and his family as respectable as any in the State. He was educated a Lawyer and is a gentleman of business qualifications of a high order.

I remember Mr. H. as being in position, in the Signal Corps, but his age (43) and position, would seem to demand position in the Dept of War, for which he is eminently qualified.

He would be admirably fitted, I think, in the direction of the Indian Service. I am with great respect

March 21st 1864

I have known Mr. Hey-
ward for the last eight or
ten years, and take great
pleasure in recommending
him as a candidate for
an appointment as 2nd
Lieutenant of the 10th C.
Infantry. In making this
recommendation I believe
that I urge the claims of
one who, if appointed, will
be not only a useful but
energetic Officer. Mr. Hey-
ward is a gentleman whose
education, habits, & intelli-
gence render him eminently
qualified for the position
to which he aspires. I
have been just been offi-
cially informed by the
Staff that there are at
present four vacancies
in the Regiment, and one
more is daily expected by
reason of the resignation of
an Officer - which has been

I enclose a copy of my attachment which it should
be noted that the Company from which it was origi-
nally obtained, was not recognized in this latter re-
sult. It seems to me therefore I am a little
a member of your Corps. I hope you will decide
in the affirmative.

1
Dear Mr. Harker

Company Signal Corps

Sir,

I have the honor to acknowledge the receipt of your letter of the 11th inst. in relation to the Signal Corps. By any accident whatsoever, except the order of the War Dept. and the fact that I am a detailed man, I do not come under the provisions of the War Order, and have therefore to put up my present position in the 4th Texas Inf., and return to the Company or Corps from which I was detached. Having been detached from the Signal Corps, I think I have the right to consider myself still a member, and I therefore have the honor to respectfully apply for readmission. It is for you to decide if my temporary detachment dissolved my connection with the Corps entirely, even if so, in your opinion, having been an old member, I hope you will receive my application favorably. Before leaving last summer I was thoroughly acquainted with the system of signals, and I would take but a short time to make me again a proficient operator. Please give me an immediate answer.

Yours respectfully,
J. H. Hayward.

Capt R. P. Howell a. s. w. having been relieved
from further service with my Regt. in accordance with
Genl. & Special Order No. 11, 1864, C. S., 2000.
I take pleasure in recommending and recommending the
appointment of 1st Lt. W. A. Hopson of my Regt.
as Capt and a. s. w. to fill vacancy caused by
departure of Capt. Howell.

I need a capable officer for this position. I consider
that the interests of the service require energetic and
capable leaders. Hopson possesses all the necessary qualifications and can
perform the duties. Hopson to his present
situation (as is shown by enclosed certificate of Brig
Genl. B. A. Board) his usefulness as Capt. is increased
by being a portion of his service being done on foot.

Respectfully

Genl.

I have the honor to return herewith the recommendation of Lieut. J. H. Wilson of Capt. J. H. Haggins' Co. 1st Conn. Inf. for the position of Adjutant of the 1st Regt. of the 1st Div. of the 1st Army. The desired information relative to the promotion of Lieut. J. H. Wilson to the position of Adjutant of the 1st Regt. of the 1st Div. of the 1st Army has been in the service since the beginning of the war having been in the Infantry service before moving to entering his Regt. and is a resident of the County (Bacon) State of Georgia in which the company was raised & pretty well known to this command as a member of that company. — He is one of the most confident officers in my Regt. & there is no man more deserving of promotion. —

The company has been improved in discipline, instruction & organization, owing to the fact that he has commanded it.

There is no other officer in the company that wants or is competent to fill the position & each & all of them have waived their right of promotion to the position in his favor.

It is respectfully requested that his promotion be allowed, & that the appointment recommended for Adjutant of my Regt. be immediately made.

I am, Genl. Very Respectfully,
Your most Obedt. Servt.

In reply is recommended
for appointment as Captain
of Co. B. the officers in the
line of promotion maintain
their claims. The reason here
submitted. It appears that
Capt. Brown has been elected
which of course was illegal.

The appointment of

Dear Uncle

Frank Huger a promising
young man - a cousin of mine -
having applied for a Lieutenantcy in the
1st Regt. Art. S.C. Regulars. sends me to
solicit a word or two from you to the
War Department in his behalf. His application
has been endorsed by Col. Butler, Col. of the
Regiment of which he desires to become
an Officer, also by the Col. of the Regt.
in which he now is & forwarded by
Genl. Beauregard. There are several
vacancies at present in this Regiment
& in my honest opinion Frank Huger
will prove an acquisition to the
service - He was receiving a military
education, standing well at the
Citadel when the War commenced and he
went into the Army when he took it.
If you would not be oversteering
the bounds of Sustain you will do a
good thing by seeing that consideration
given to this young man's application.
I am giving you approval of my
request & remain sincerely your nephew

A Copy Norfolk March 15th 1862
Hon. S. R. Mallory
Sec. of Navy

Sir

The bearer

of this note is Mr. Jas. M. Hume of Portsmouth who is anxious to be appointed a Midshipman in our navy. He is the son of Rev. Thomas Hume whom I have long known as one of the most useful and energetic Citizens of that town and who distinguished himself by his fearless devotion to the sick and dying in the summer of 1855. From the information I have received of his son I have no doubt that he would prove himself worthy of the appointment, and I know of no one in this community who has higher claim than his Father to a favorable consideration of any request he make of the Government.

I have the honor to be very
Respectfully,
Jagwell Taylor.

March 20th 1864

Gen'l C. S. Cooper

Adj't Gen'l

I would most respectfully recommend for the appointment of Lieutenant in the Signal Service, S. Ludwell Stutcheon, at present a member of my Corps; an officer being needed in this Department to take charge of a Signal Corps, intended to operate with the Cavalry commanded by Maj Gen'l Ransom.

He has been in my command nearly two years, during which time, he has ever proved himself an able and efficient operator, and thoroughly conversant with all the duties of said service.

For the last eight months, he has been Acting Sergeant of the Corps, in which office he has shown much capacity & judgment, proving himself every way qualified to command and fill its office to which he aspires with credit to himself, and honor to the Service.

He has ever been untiring in the performance of his duties, never having been absent on furloughs or otherwise, since his admission into the Corps.

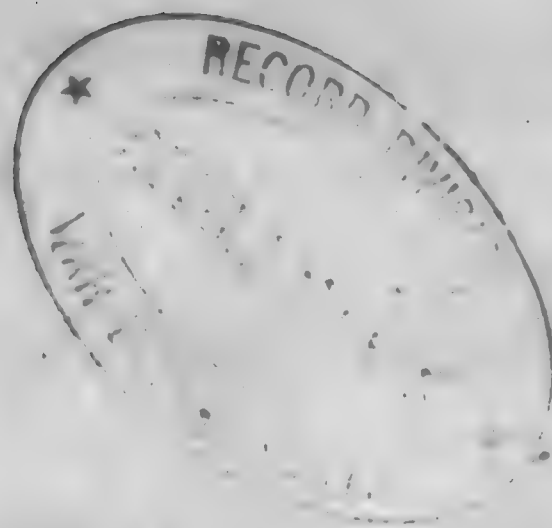

Trusting this may meet with your cordial approval & immediate action & attention.

Sum. J. 198

Petersburg Va, Dec. 13th 1864

The undersigned take great pleasure in offering their tribute to the practical talent, the high character and moral worth of Mr. C. E. Jenkins. As a fellow townsman they have known him well for many years past and their association with him, both public and private, warrants this statement of their sincere conviction that the interests of the Government would be faithfully and efficiently administered by a gentleman of such capacity for business and such unimpeachable integrity. Where these qualifications meet in one who has left family and possessions for the sake of the cause, they present seemingly strong claims to the very favorable consideration of the Government. The special aptitude he has evinced in a long experience at this post for the position he seeks and the feeble state of his health, both justify him in making this application.

With great personal regard & desire for his merited promotion —

In Consideration of my health, experience in the War, and of my Disposition, which has been very much changed by the loss of my health, I have been unable to do more than to remain in the city of New York, and to devote my time to the study of the Law, and to the practice of the Profession. I have been unable to do more than to remain in the city of New York, and to devote my time to the study of the Law, and to the practice of the Profession. I have been unable to do more than to remain in the city of New York, and to devote my time to the study of the Law, and to the practice of the Profession.

I was voluntarily discharged from service on (consequence)
of ill health (from which I still suffer) I soon after
voluntarily resigned, and have been in service ever since
upon the occupation of my home by the enemy. I have lost
everything I had, and I now fear my wife and little child
are in want. (As I learn that persons who formerly lived
in affluence are now in such circumstances,) from my
long-continued prospect of being separated from them
I am no longer.

I respectfully submit the matter into your
hands, trusting that it will be your approbation.

I had the honor

has been forwarded to the Secretary of

Terms and Conditions on which Messages are Received by these Companies for Transmission.

The parties are notified that in order to guard against mistakes in the transmission of messages, every message of importance ought to be repeated by three companies from the station at which it is to be received to the station from which it is originally sent. Half the usual price for transmission will be charged for repeating the message, and while these Companies will as heretofore use every precaution to insure correctness, they will not be responsible for mistakes or delays in the transmission or delivery of repeated messages beyond five hundred times the amount paid for sending the message. Nor will they be responsible for mistakes or delays in the transmission of unrepeatable messages, from whatever cause they may arise, nor the delays arising from interruptions in the workings of their telegraphs, nor for any mistakes or omissions of any other Company over whose lines a message is to be sent from one terminus of destination. All messages will hereafter be received by these Companies for transmission subject to the above conditions.

If you will be so good to
write for the enclosed
a public notice, the favor
able attention of the
Sec. of War.
I am, Sir, very
respectfully,
Yours,
J. C. Smith

Washington, D.C. 14th Dec. 1864

Dear Sir

I must again say your kindness
in relation to my son Wm. J. Smith - I wish
you to make another, unanimous effort to
get him a commission - I trust you will
pardon my persistence, and think my son
deserves an appointment, when you consider
that he has been in active service since the
commencement of the war - has been in the
thick of the most severe fighting - has been
through more than thirty months of
the most severe and continuous service, night
and day - during which time he has had
many narrow escapes from death -
I think it can be safely said there had not
been, in the 20th and 21st regiments, since
any man in the Confederacy or elsewhere -
There certainly had not been any other man
in the 20th, for so long a time, without
which - I think you will admit that he
deserves advancement - You will find that
so, as you will perceive, by the recommendation
given by him when he left the 20th -

his successor, Genl. Mitchell, is now
arranging to obtain his promotion at the time
of his immediate death —

I suppose will have the accompanying
list of recommendations to Genl. Hooker,
and will expect yourself to obtain a Commis-
sion in my Regt in the 1st Regiment of the
Infantry (Regular Provisional) Col. Whittenger
— the one to which he has applied by the letter
and in which there are now some vacancies
with you more duly expected — Having
in this, apply for choice in 1st Regiment of the
Artillery (Regular Provisional) Col. Whittenger
and next in 4th Battalion of the Artillery

As soon as you are, then have his name
placed, for appointment, on each of the rolls
of these Regiments —

As you are a man of much influence at
Richmond, your personal influence will
almost ensure success —

Trusting that the few last favors, I remain

Yours with respect & esteem

Wm. L. Smith

Dear Sir
I am a. & Lind
late of the 15th Regt Va Inf was secured
equal office on the Peninsula, next to
went to Capt Morris - beyond all comparison
in the same service, not comparable to Mr
Lindsay, either in experience or qualifi-
cations were appointed & Mr Lindsay
by some mistake was overlooked - He is
disparagement to others to say that of
Mr Lindsay who has been so conspicuous
for intelligence, activity, perseverance
& integrity - A vacancy has occurred
in the Signal Corps by the death of a
Capt on the Staff of Genl Stewart -
This offers an opportunity to promote
to Mr Lindsay & to secure to the Ser-
vice the benefit of his talents & devotion -
I earnestly recommend him for the appointment.
Very respectfully to the Hon S. M. Randolph

I am in receipt this morning
of a letter through your Head Quarters, from the Head
Quarters of the Trans-Mississippi Department at New Orleans of Aug
28th from Capt Allen Jones, the Chief Signal Officer of that
Department's complaining to you of not being able to perfect
his Report of his Department, by not having received a report for the
Quarters, even I have only to say, that I sent my last Quarterly
Report on the 2nd of July inst. to Major William Morris the
Chief Signal Officer of the Confederate States at Richmond Va,
through Capt Allen Jones; and I have
never received any communication from Capt Allen Jones
since that time, on that subject; though he says in his letter
to you, that I had him requested to forward my Report, more
than once; but thinking that something may have happened
to the last one; I will send a copy of it by tomorrow's mail
again.
